Hi Jessica! Thank you for reaching out to us!

Unfortunately, we do not have the capacity to offer such incentives. You may want to check with the City to see if such programs exist. I am copying Aram Taslagyan of Councilmember Mitch O'Farrell's office on this e-mail. Hopefully he may be able to point you into the right direction.

I wish you the best of luck on your child care center. It sounds like a much needed benefit for the community!

Warmest Regards,

Hi Nicole-

We own a property at 5729 La Mirada Ave. in Hollywood and have an accepted offer on the single family residence next to us sitting on an R3 lot close to 8,000 sq ft. Our goal is to move into this residence as our prime and open a day care center for children. I wanted to know if your BID offers any incentives on the development of day care centers for children within this area. We are committed to having more child care in our area and that children are taken care of with their proper needs.

Looking forward to hearing back from you.

Best,

Jessica Gehring

Hi Jessica,

As far as I know, the city does not have any such incentives. My recommendation would be for you to get in touch with the Youth Policy Institute who are a non-profit and main city partner for the President's Promise Zone area where your address falls in.

You might also want to try LA County, they might have something. You're County Supervisor is Sheila Kuehl. You can reach her office at 213-974-1311

Best,
